

# Praying for your Community

*"Love our neighbours as ourselves" (Mark 12.31)*

**"Praying for Your Community"** invites you to pray, not only for the parish which we serve as a church, but also to pray for the area where you live. In addition you are also invited to pray regularly for up to 5 of your neighbours. Both for any known needs, and if they are not Christians, praying that they may want to find out more about Jesus.

To ensure we include prayers to cover all the communities concerned (**John 15:16**), we are publishing the roads where we all live. So, we are going to particularly pray for the people who live in **FOREST ROAD** and **WESTCLIFF ROAD**:

If you live in one of these roads and would like us to pray for you, a family member, friend or neighbour, please email your prayer request to Louise Collins Praying for Community Coordinator on email ***allsaintsbh13@gmail.com*** or telephone **07596121077**

## A prayer for you in your Community:

*Thank you, Lord for our loving, evolving community. Help us share your word of mercy, love and hope. (Romans 5:5) And hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit, that has been given to us. May the Lord bless his people, may we give thanks to you forever. Amen: **Mary Knowles***

We would love you to send in a prayer which we can publish here - please email it to Louise via the Church office - ***allsaintsbh13@gmail.com***

## Prayer Matters:

Jesus says: *'This is My commandment, that you love one another even as I have loved you. No one has greater love than to give up one's life for one's friends.'* (John 15:12-13. CEB). Note that the Greek word for 'life' here means 'soul', that is soul-life.

Dear Lord, may we follow your example and reach out to those around us with your love and care. Amen

## **"URGENT" Photo of your road signs needed please!**

Please **photograph the road sign** where you live, attach your photo to an email, send it to the office. Simply insert your name, road, and postcode in the email:
