

Praying for your Community

"Love our neighbours as ourselves" (Mark 12.31)

"Praying for Your Community" invites you to pray, not only for the parish which we serve as a church, but also to pray for the area where you live. In addition you are also invited to pray regularly for up to 5 of your neighbours. Both for any known needs, and if they are not Christians, praying that they may want to find out more about Jesus.

To ensure we include prayers to cover all the communities

concerned

(John 15:16), we are publishing the roads where we all live. So, we are going to particularly pray for the people who live in **BURTON ROAD** and **LAKESIDE ROAD**:

If you live in one of these roads and would like us to pray for you, a family member, friend, or neighbour, please email your prayer request to Louise Collins Praying for Community Coordinator on email allsaintsbh13@gmail.com or telephone **07596121077**

A prayer for you in your Community:

"Heavenly Father, Help us to be salt and light wherever we live, bringing the saving message of Jesus' love to family, friends, neighbours and Community. Bless the roads we pray for in our Community" ... (Dennis Pedley)

We would love you to send in a prayer which we can publish here - please email it to Louise via the Church office - allsaintsbh13@gmail.com

Blessings Matter:

Grace and peace be yours in abundance through the knowledge of God and of Jesus our Lord". Peter wrote that in his letter to some beleaguered Christians in about AD65. But it could be applied to us all today.

Somebody has suggested that when you pass people on your regular walks why not Bless them! No you don't have to say anything out loud - just offer them silently to God that they come to know Jesus as their Lord (if they don't already know him).

"URGENT" - Photo of your road signs needed please!

We are running out!! Please **photograph the road sign** where you live, attach your photo to an email, send it to the office. Simply insert your name, road, and postcode in the email: allsaintsbh13@gmail.com. **Thank you!**
